HOW TO BUILD

◆ Main Bag (1) (4-3-7-8)

LOCK:

- Color Lock (L1) connecting the Zipper String to the Plastic Buckle of handle

ATTACHED:

- Opening Plot Page (D4)
- Linking Ring Toy (A) (4 Red, 3 Green, 7 Yellow, 8 Blue)
 - Put colors in random order and have looped around handle

INSIDE:

- Stacking Cups (2)
- Legos (3)
- Blocks (4)
- Bottle Bag(5) in Side Pouch
- Nose Sucker(6) in other Side Pouch
- Inside Pouch with Puffs Snacks in (G)
- Medium Diaper Bag (9)

◆ Stacking Cups (2) from inside Main Bag (1)

- Have all cups stacked correctly
- Using different color permanent markers, write code to Medium Bag (9) (MYAR) on the sides of the lids so you would only be able to read it when stacked correctly
- separate the cups and toss them into Main Bag (1)

◆ Legos (3) from inside Main Bag (1)

- You will use 2 of the two-by-two blocks and 4 of the one-by-one blocks
- Stack them so that there is a two-by-two on bottom, the one-by-ones in the middle and the final two-by-two on top
- Write the following on the block sides:

1.	5 +	
1		=
6		

2.	4 x	
2		=
8		

3.	9 ÷	
3		=
3		

4.	100 ÷	
20		=
5		

- Separate the blocks and toss them into Main Bag (1)
- This will give you the code 6-8-3-5 to open Bottle Bag (5)

◆ Blocks (4) from inside Main Bag (1)

- You will only need these Blocks:
 - 1, 2, 3, 4, A, B, C, D
