

Hey y'all,

Thanks again for all your help! You know! One thing I've discovered about various camps is they all like to sing around the campfire! It seems to be a favorite Camp pastime! This is definitely something I want at my Camp so I wrote a little diddy. I'm afraid I may have copyrighted another song because it sounds so familiar! Could you give it a listen and let me know. I don't want to steal anyone's music. What kind of person would do that? People over there just stealing that and STEAL THIS! It's a crazy world!

Anywho, check it out and let me know if I accidentally stole another person's song! You're awesome!
