Instructions:

1. Seward Box (#1)

- a. Glue Top Box Riddle(#19) onto top of Seward Trunk (#1)
- b. Glue Capital Box (#20) onto back of Seward Trunk (#1)
- c. Change Code of 4-Digit Combination Lock (#5a) to 0824
 - i. Attach Lock to outside of Seward Trunk (#1)

2. Ransom Note

- a. Download DJB Ransom Note from Dafont.com: <https://rb.gy/brfgfo>
 - i. Install the Messy Version for a more Ransom Note Look
- b. Using the font, write a ransom note about how COVID stole something from you (Camp, Church, Social, Restaurant, etc)
 - i. Be sure that somewhere in the top half of the note, the letter “a” appears in a word
 - ii. Be sure to use the word “equals” somewhere in the middle
 - iii. Be sure that somewhere in the bottom half of the note, the letter “k” appears in a word
 - iv. See example for Camp Good News: Sample Ransom.pdf
 - v. For a more Ransom Note Look, be sure to change the color of each letter
- c. Print the Note
- d. and attach to the inside lid of the Seward Trunk (#1) so that when they open the lid, this note will be hanging
- e. With a Blank sheet of the exact same size paper, cut out holes so that when placed over ransom note, only “A”, “Equals”, and “K” are showing
 - i. See Example for Camp Good News here: Sample Ransom Cut Out.pdf
 - ii. You will fold this paper and place inside one of the mini ammo boxes (#13a). See instruction for this later.

3. Acrylic Sheet (#16)

- a. Cut acrylic sheet (#16) into 6"x9" rectangles. You only need 4, so you will have half of your acrylic sheet (#16) left over afterward.
- b. Once you have all 4, stack them on top of each other and then cut a 1"x1" right triangle of just one corner. (if you keep them all stacked together neatly, this will help to make sure the corner cut is the same for all 4)
- c. Print off the Acrylic Puzzle (#21) and use the guide to trace the lines onto each of the 4 acrylic rectangles. Be sure to use a thick permanent marker.
- d. Each one of the acrylic rectangles will go in the following boxes:
 - i. 1 in the bottom of the large Seward Box (#1)
 - ii. 1 in the Clear/Frosted Ammo Box (#3)
 - iii. 1 in the Black Ammo Box (#2a)
 - iv. 1 in the Sterilite Container (#4)

4. Clear/Frosted Ammo Box (#3)

- a. Use Masterlock 13/16" Combo Luggage Lock (#8a) for this box.
 - i. Change code to 723
- b. Using a permanent marker, draw 3 one-inch lines in a horizontal row (____ ____ ____) on the Clear/Frosted Ammo Box (#3)
- c. Above each line attach the following stickers from the Sticker packs (#11a, 11b, 12a, 12b)
 - i. Line one – Small pine tree
 - ii. Line two – small acorn
 - iii. Line three – Skunk
- d. Check out the Clear/Frosted Ammo Box Video here for a visual of how to draw the maze on this box
 - i. Folder of Video and Pictures: Clear/Frosted Box Videos and Pics file

5. Program Pics

- a. Print off on Cardstock, Laminate, and Cut Out the Program Pics (#22)
 - i. If you would rather use your own Camp Pics, just make sure each of the Yellow Letters are also included in your pictures to make the Lock work
- b. Cut out each Rectangle and put in the following Locations
 - i. 2 in the bottom of the Seward Trunk (#1)
 - ii. 2 in the Sterilite Container (#4)
 - iii. The Icons Pic Glued onto the outside of the Mini Ammo Box (#13a)

6. 3D Puzzle

- a. Download the 3D Puzzle (#23) and open in Word.
- b. Because Locker Combination Padlocks (#14) cannot be changed, you will have to edit this document to match whatever the code is on your Padlock (#14)
 - i. Also, you may want to change up the wording to fit your location vs Camp Good News
 - ii. After you change the numbers in black to match your padlock (#14), be sure to format the color to match either the red or blue side
- c. Print on Cardstock
 - i. Print page 1 first, then re-insert the paper to print page 2 right on top of page one so that it makes it very hard to read
 - ii. Laminate
 - iii. Now you should be able to put on the 3D Glasses(#17) and closing one eye at a time read easily the puzzle.
- d. Puzzle and 3D Glasses(#17) go inside the Clear/Frosted Ammo Box (#3)

7. Decoder Circle (#25)

- a. Print Circle on Card Stock, Laminate, and Cut out
- b. Using brad through the center, attach the pieces
- c. Place inside Mini Ammo Box (#13b)

8. Sterilite Container (#4)

- a. Print off Bat Picture (#24) and glue to top or use clear tape to attach to top of container
- b. On the two sides (that are not handles) Drill or puncture a hole through the lid and the container large enough for the Masterlock 13/16" Combo Luggage Lock (#8b) to attach
- c. Change the combination to 2 of the Luggage Locks (#8b) to 128
 - i. Attach each luggage lock (#8b) to the holes you just made on each side of the container
- d. Inside this box will be:
 - i. Both Mini Ammo Boxes (#13a, 13b)
 - ii. 1 Acrylic Puzzle Piece
 - iii. 2 of the Program Pics (#22)

9. Mini Ammo Box (#13a) that the Program Pics Icon is glued onto)
